PROFESSIONAL SUMMARY

B.Tech student with strong foundation in full stack development using React and Java, along with hands-on experience in CI/CD pipelines using Jenkins and Apache Tomcat. Skilled in building scalable web applications and solving real-world problems. Possesses basic knowledge of Python and foundational understanding of machine learning concepts. Proven leadership and teamwork abilities through academic projects and student body involvement.

TECHNICAL SKILLS

- **Programming Languages:** C, Java, Python (Basics), JavaScript
- **Frontend:** HTML, CSS, React (Vite)
- **Backend & Database:** Java (Full Stack), MySQL
- **DevOps Tools:** Jenkins, Apache Tomcat
- **AI/ML Concepts:** Machine Learning (Basics), Deep Learning (Basics)
- **Other Concepts:** Object Detection, Visual Recognition

PROJECTS

Job Portal | Full Stack Web Application Developed a full-stack job portal enabling job listings and user applications

- Integrated frontend and backend for efficient data handling
- Designed responsive UI for better user experience

Music Streaming Application

- Built a music streaming platform with playback controls and playlist features
- Focused on smooth UI/UX and performance optimization

Parcel Detection System

- Built a system to detect and track parcels
- Applied basic machine learning concepts

Lane Detection System

- Implemented lane detection using visual recognition techniques
- Applied foundational deep learning concepts

SOCIAL INTERNSHIP

- Conducted sessions teaching basic computer skills in schools (**KLGLUG**)
- Contributed to offline maps for low-connectivity regions
- Promoted digital literacy and technology awareness

CERTIFICATIONS

- Oracle Certified Professional – Oracle Cloud Infrastructure (2025) Generative AI Professional Certification
- Salesforce AI Associate
- Aviatrix Certified Engineer – Multicloud Network Associate

EDUCATION

KL University
B.Tech (3rd Year, Ongoing)
CGPA: 8.46

Narayana Jr College
Intermediate(11th, 12th)
Percentage: 78.7%

Narayana Olympiad School
High School(10th)
Percentage: 100%

LEADERSHIP & ACTIVITIES

- Core member of student body, managing teams and resources
- Led multiple academic team and individual projects

STRENGTHS

- Strong problem-solving mindset
- Quick learner with high adaptability
- Effective team coordination and leadership skills
- Focused and disciplined work approach
